## Who is She?

**Ivana M. Smith** is a visual artist and filmmaker with a background in Film and Television from the *Savannah College of Art and Design (SCAD)*, where she also minored in Motion Graphics. Her artistic journey began at a young age, and she began seriously developing her painting practice during high school. While at *SCAD*, she expanded her creative process by exploring digital media, which led her to begin animating her artwork and integrating it into her films. Currently, her practice focuses on digital illustration and creating hand-painted interpretations of her digital pieces.
